This story inhabits between the river and the sea. The river shores are continuously connected by a Ferry boat. The narrative repeatedly and consciously follows on, but our interpretations of it will inevitable come to an end. The story re-begins and helps us dreaming, saves us from death to leave our spirit fluctuating, held merely by fine threads twined together. It proposes distance like it were the angel of all dangers.

ORIGINAL IDEA **Pedro Sena Nunes** ARGUMENT **Pedro Sena Nunes and Tiago Afonso de Sena** DIRECTION **Pedro Sena Nunes**

DIRECTION ASSISTANT **Patrícia Bateira** INTERPRETERS **Alvaro Lavín, Ana Rita Barata and Miguel Sermão**
